

WELCOME TO VARTEK

Vartek is the industry's leading manufacturer and marketer of PVC hoses for a variety of applications. Recognized as the quality manufacturer for all its products, Vartek has the most technologically advanced equipment available and supported by a dedicated and experienced work force.

OUR OPERATING PRINCIPLES

1. We are dedicated to the principle that our success depends on continuing to be a customer-focused organization that our success depends on our customers' success. We will use only the best raw materials available, we will accept nothing less than 100% as a quality control standard for our finished products, we will be committed to on-time delivery and we will price our products fairly and competitively.
2. We will serve fairly and in proper balance the interests of everyone associated with our business — customers, employees, suppliers, community neighbors, and the general public. We will comply with the word and spirit of all local, state and federal laws.
3. We will maintain high ethical standards and demonstrate honesty, integrity and reliability in all relationships. That will be reflected in our words, our actions and our attitudes.

**QUALITY IS NEVER AN ACCIDENT; IT IS ALWAYS THE RESULT
OF HIGH INTENTION, SINCERE EFFORT, INTELLIGENT DIRECTION
AND SKILLFUL EXECUTION.**
